Carol Stream, IL

*Advanced Practicum Student*

Under the supervision of Dr. Erin Liebich, I provide child/teen, individual, couples, family, and play therapy as well as comprehensive psychological assessment and feedback. I also conduct intake interviews and perform administrative duties as necessary.

08/21/2015 to 07/29/2016      **Center for Personal Growth**  
Carol Stream, IL

*Therapy Practicum Student*

Under the supervision of Dr. Erin Liebich, I provide child/teen, individual, couples, family, and play therapy to CPG clients. I also conduct intake interviews and perform administrative duties as necessary. The clientele is diverse in terms of age, ethnicity, diagnosis, and referral needs. Individual and group supervision are provided weekly as are didactic training sessions.

07/01/2014 to 09/11/2015      **Mental Health Solutions**  
Mundelein, IL

*Diagnostic Practicum Student*

Under the supervision of Dr. Bright Fellowes, I provide comprehensive psychological and neuropsychological evaluations to children, adolescents, teenagers, adults, and geriatric populations. I also perform all other necessary tasks involved in diagnostic evaluations such as scoring, interpretation of test results, report writing, feedback sessions, and treatment planning. Presenting concerns typically include developmental and cognitive delays, learning disabilities, attention-deficit/hyperactivity disorder, and mood or anxiety disorders.

## **Teaching Experience**

08/21/2017 to 12/15/2017      **St. Augustine College**  
Chicago, IL

*Adjunct Professor, Child Growth and Development*

I instruct undergraduate level students in the area of child development. The psychology department provided me with a book and a general syllabus, which I personalized by creating quizzes, assignments, and the class schedule. This class is three hours and twenty minutes and meets once a week for 16 weeks.

08/24/2015 to  
04/13/2016 **Illinois School of Professional Psychology at Argosy University**  
Schaumburg, IL

*Teaching Assistant, Cognitive Behavioral Therapy*

I was responsible for mentoring students as they developed a detailed case presentation with the ultimate goal of demonstrating a CBT technique during a roleplay at the end of the semester. I regularly provided feedback to the students at each stage of their case development as well as collaborated with the professor regarding students' progress and understanding of class assignments. Additionally, I was responsible for holding study sessions and grading exams.

08/24/2015 to  
12/09/2015 **Illinois School of Professional Psychology at Argosy University**  
Schaumburg, IL

*Teaching Assistant, Diagnostic Psychopathology*

My responsibilities included obtaining materials needed for the professor's classes, providing feedback to students regarding written assignments, and helping students develop a pathological character for an end of semester roleplay. Additionally, I held a roleplay training session for the class in order to prepare them for conducting a diagnostic clinical interview and how to portray their pathological character as an interviewee.

## **Research Experience**

09/01/2013 to  
05/01/2014 **Illinois School of Professional Psychology**
